THE EPIDEMIC DISEASES HOSPITAL, WARDS FOR INCURABLE PATIENTS AND THE LEPER ASYLUM, BANGALORE CITY.

Tender Notification dated 8th October 1928.

Notice is hereby given that sealed tenders in triplicate on half sheet foolscap sized paper will be received at the Office of the Epidemic Diseases Hospital by the Medical Officer at 10 A.M., on 12th November 1928, for the supply of all articles of diet, etc., (as per list annexed) required for the use of the Epidemic Diseases Hospital, Leper Asylum and Wards for Incurables, from 1st January 1929 to 31st December 1929.

2. No tender will be received after the date and hour abovementioned.

3. Tenders to be superscribed "Tender for the supply of provisions" to the above Hospitals.

4. No tender will be received unless accompanied by a deposit of Rs. 200 in cash or currency notes.

5. Tenders will be opened by the Medical Officer in charge, at his office on the date and at the hour abovementioned in the presence of the respective tenderers.

6. The rate for each item must be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered, and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the lists are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security to the sum of Rs. 200 within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor. Payment for the articles supplied in each month will be made as soon as possible, after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor, in which he can keep all non-perishable articles, of which not less than one month's supply must always be in stock. Perishable articles, such as, vegetables, meat, etc., must be at the hospital at 7-30 A.M., daily. For the supply of milk, the cows to be milked on the premises should be ready at 8 A.M. and 5 P.M. every day. All articles, except when mentioned otherwise, should be of the first sort and any article rejected on account of inferiority should be promptly replaced by articles of the required quality or will be purchased by the hospital authorities from outside and the charges debited to the contractor.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have the power to fine up to Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will also be bound on occasions of emergency to supply any other article or articles that are not mentioned in the list appended to the notice, at prevailing market rates and at short notice.

16. The attention of the public is drawn to the "N.B." notes published at the foot of, the next page.
